After our overnight crossing we continue our journey to Disneyland Paris arriving there early evening. After checking into our hotel we will travel in the evening to the beautiful city of Paris. We have arranged a guide to show us some of the sights such as 'The Arc De Triophme,' Notre Dame Cathedral,' The Louvre Museum,' The Eiffel Tower,' and the 'Ritz Hotel,' to name a few. We can also arrange a trip on the River Seine if you like.

DAY 3 & 4

You will have a two day unlimited access pass to both 'Disneyland Park' and 'Walt Disney Studios Park.'

Some attractions in Disneyland Paris include:

Fantasyland: Marvel as dolls of all nations sing and dance to the famous 'It's a small world' melody. You will be singing this happy song all day.

Discoveryland: Buckle up as our canon blast sends you faster than G-force through space and back again.

Frontierland: Hold your hats for the fastest, wildest train west of Mississippi.

Adventureland: It's a pirate's life for you, matey! Take a thrilling ride with the meanest pirates of them all.

DAY 5

Today we start our journey home after memories we will keep with us forever. We will visit 'Brugge' sometimes referred to as 'The Venice of the North.' The historical city centre is a prominent world heritage site of UNESCO. Then we continue onto Zeebrugge where we get our overnight crossing to Hull.

DAY 6

We depart Hull travelling across 'The Pennines' and Carlisle on to our final ferry crossing from Cairnryan to Belfast.
