

# Scottish Highlands

28th August - 3rd September

7 Day Tour

There's lots of things to see and do across the Highlands. Expect a warm welcome as locals and visitors alike enjoy the best of their rich heritage and culture including spectacular street theatre, music, storytelling, and of course the world famous ceilidhs.

## DAY 1

We will depart in the morning and travel to Belfast where we will cross to Cairnryan on the ferry. On arrival in Scotland we will make our way to Glasgow making a stop at Burns Museum and cottage. This location has been dedicated to Robbie Burns, Scotland's famous poet.

## DAY 2

After breakfast we have made arrangements to take a tour of the City of Glasgow with a local tour guide. We have kept the afternoon free for you to explore the city and maybe meet old friends.

## DAY 3

Today it's off to Nairn making a stop at Loch Lomond and Fort William along the way. We will also pass Loch Ness; The most common speculation among believers is that the creature represents a line of long-surviving plesiosaurs. From here we will make our return to the hotel.

## DAY 4

Today it's off on a short trip to complete a tour of Loch Ness. We have arranged a boat trip of the loch. Bring your camera...just incase. Following this we will return to Nairn where you can have a walk around the town or along the beach.

## DAY 5

After breakfast we are off to Balmoral Castle, Scottish home of the British Royal family, situated in the Cairngorms National Park. After lunch we carry on to the City of Edinburgh.

## DAY 6

A late start today and we take a guided tour of the city. For the late afternoon we have allowed free time for you to enjoy the delights that Edinburgh has to offer, like Edinburgh Castle.

## DAY 7

Sadly its time for our homeward journey, travelling back to Stranrear for the ferry taking some comfort stops along the way. Across on the ferry to Belfast and it's onwards home to Donegal.
