The Tall Ships race is an annual International event that will make its way to Ireland's Capital, Dublin, as the final host port. It's expected to see up to 100 Tall Ships arriving. It takes place in Dublin's Docklands area and we want to give you an opportunity to jump on board the ships, take part in free entertainment, live music, parades, funfairs and lots more.

### DAY 1

We leave Donegal for Dublin to begin the party, as the Tall Ships' arrive in Ireland. We will check into our hotel and then have plenty of free time to enjoy and take part in the excitement.

### DAY 2

The day is yours as you can walk from your hotel to the Docklands.

### DAY 3

We will stay in Dublin until late evening before making our journey home.
